According to Goldschmidt, CVS will be moving into two new strategic locations in Westchester County.

CVS will move into the full 15,500 s/f retail space in the new mixed-use building at 7 Popham Rd. Adjacent to the train station, the store will replace the smaller 9,000 s/f store at 90 Garth Rd., which Goldschmidt & Associates is marketing. Pam Bren Goldschmidt was the sole broker.

By the end of 2007 CVS will move into the 16,000 s/f retail space formerly occupied by Woolworth's and Foot Locker at 21 Mamaroneck Ave. in White Plains. This store will have an entrance on Court St. as well as Mamaroneck Ave. and will service the White Plains Business District as well as the 2,000 new residents moving into the Trump, Capelli, and Avalon projects. Pam Bren Goldschmidt was the sole broker, also, in this transaction.
