executive suite location, leasing 11,575 s/f," said Jeffrey Newman, executive vice president of W&M Props., the marketing and managing agent for the building.

"We are very pleased that Stark Business Solutions has chosen 500 Mamaroneck. This space will undoubtedly provide them with all they need to continue the growth of their business," said Newman.

Stark Business Solutions currently has offices at 100 South Bedford Rd., in Mount Kisco and 445 Hamilton Ave. in White Plains. The SBS suites in Harrison will occupy its new space in W&M's class a property through at least 2018.

"500 Mamaroneck Ave. is a premium building in an outstanding

location," said Adam Stark, president of Stark Business Solutions.

W&M Construction will build out the space for Stark, which plans to move in by September.

Newman and assistant vice president Kathleen Caracappa represented the landlord, Eric Goldschmidt of Goldschmidt & Associates represented the tenant.

500 Mamaroneck Ave. is a five story, 285,000 s/f multi-tenanted class a office building located between the Hutchinson River Pkwy. and I-95.

W&M recently completed \$12 million in building enhancements, including a new fitness center, refurbished restrooms, upgraded dining, new elevator cab finishes, completely renovated lobby, new security systems, an ATM, and improvements to the buildings electrical systems.
