*The Mount Kisco location is currently home to more than 100 clients across a variety of industries, such as law, finance, marketing, real estate, and various other professional services.*

Rye Brook, & Mount Kisco, NY ([PRWEB](#)) June 01, 2016 -- [Stark Office Suites](#), which offers premium turn-key, flexible executive offices and virtual office services for successful professionals and entrepreneurs, announces the move of its Mount Kisco location. The Company has entered into a long-term lease for the entire first floor of Class A office space at 118 North Bedford Road, Mount Kisco, NY.

“This move was right for our clients and right for us,” said Adam J. Stark, President of Stark Office Suites. “Client service is at the heart of all of our decision-making and we are thrilled to offer our loyal clients a significantly upgraded facility with a brand new high-end build out in a prime location. This building is truly the jewel of Mount Kisco and will allow us to continue to grow our Mount Kisco presence.”

118 North Bedford Road is owned and managed by Celestial Capital Group, LLC. Celestial also owns and manages the building at Two Overhill Road, which is the location of Stark’s Scarsdale office suites. “We have worked with Celestial for many years in Scarsdale at our Two Overhill Road location and we have always been impressed with the quality of the facility and the high level of service that Celestial provides its tenants,” Stark said. Mark Ellman, President of Celestial Capital Group, LLC., shares Stark’s enthusiasm, “Stark is the leading provider of premium executive office suites for successful established professionals and entrepreneurs and we are very pleased to have them in another one of our Class A properties.”

Celestial will be modernizing the building at 118 North Bedford Road, featuring a newly renovated lobby with an impressive glass atrium and electronic directory. The building is nestled in a quiet, wooded setting within walking distance of the heart of Mount Kisco’s village and Metro-North train station. The building also provides extensive on-site parking for clients and visitors.

After nearly 10 years in its current location, Stark has put into practice everything it has learned with the selection and configuration of the new location, which will serve as the model for future offices and renovations. The new high-end, state-of-the-art facility will feature Stark’s most advanced technological infrastructure including new VOIP phones and enhanced networking capabilities as well as a premium, high-end build out. The spacious offices, flooded with natural light, feature an open and modern full floor layout, fine contemporary finishes, generous soundproofing, bright, energy-efficient LED lighting, a premium conference center with multiple meeting room configurations, and Stark’s signature salt water fish featuring a 170 gallon custom-built tank.
